

SANTA ROSA JUNIOR COLLEGE CREDIT FOR ADVANCED PLACEMENT (AP) EXAMS 2014-15

Students must have the College Board send official AP exam results to the Office of Admissions, Records & Enrollment Development for evaluation. Credit may be applied to General Education and/or SRJC Associate Degree major and certificate requirements. Students who receive AP credit and then take the comparable SRJC course will have the unit credit for such duplication deducted. Course credit and units granted at SRJC may differ from transfer institutions. Each university determines how exams will apply toward credit in a major. Please consult with a counselor for assistance in clarifying university policy

Credit may be earned for College Entrance Examination Board (CEEB) Advanced Placement (AP) Exams with scores of 3, 4, or 5. Some Departments require a score higher than 3 or place conditions on the award of credit as indicated in the chart below (See "SRJC Major & Prereq. Score Req. Column or Notes Column for specifics)
