</tr>
</tbody>
</table>

*Must be completed within five years preceding the program application deadline.*
ASSOCIATE DEGREE GENERAL EDUCATION REQUIREMENTS:

Many of the courses listed above will also meet General Education Requirements. GE requirements must be completed prior to graduation, but it is highly recommended that the following course be completed prior to entry into the Radiologic Technology Program. Graduation may be delayed if GE requirements are not completed before the start of the program. PLEASE NOTE: A course may be used only once to fulfill requirements in Areas A-G and Area I.

Starting in 2015, the American Registry of Radiologic Technologists requires an Associate Degree as eligibility to sit for the licensing examination.
