

Palmer College of Chiropractic

CURRICULUM AGREEMENT

Between

Palmer College of Chiropractic

and

Santa Rosa Junior College

The purpose of this agreement is to clarify and set forth the essential terms between the institutions relating to curriculum requirements to be satisfied for any student attending and desiring to proceed to Palmer College of Chiropractic.

Each such student will be informed that he/she must complete 90 semester credit hours or 135 quarter credit hours of undergraduate studies. Palmer encourages students to pursue a well-rounded education with coursework that includes 24 science credits, half with labs, that may include biology (human anatomy and physiology, embryology, genetics, microbiology, immunology, cellular biology, exercise physiology, and kinesiology), chemistry (general chemistry, organic chemistry, analytical chemistry, biochemistry, toxicology/pharmacology, and nuclear medicine), and physical sciences (physics, biomechanics, and statistics).

Further, for admissions to Palmer College of Chiropractic each student must:

1. Apply one year in advance of intended starting date.
2. Meet the required 90 semester hours while maintaining a cumulative grade point average of a 2.75 on a 4.00 grading scale. Preferences will be given to students earning a 3.0 or better.
3. Complete at least eight courses at *Santa Rosa Junior College*.
4. Satisfy all other requirements as prescribed in the Palmer College of Chiropractic catalog.

Under this agreement, *Santa Rosa Junior College* may list this program in the catalog and brochure and Palmer College of Chiropractic may do likewise, provided both institutions have approved the wording of all catalog and brochure copies referring to this program.

Catalog 11-12 (#1287)

Palmer College of Chiropractic complies with the guidelines established by the Council on Chiropractic Education (CCE), which is recognized by the U.S. Secretary of Education for the accreditation of programs and institutions offering the Doctor of Chiropractic degree. The CCE requires students to have earned *90 semester credits with a 2.75/4.0 cumulative grade-point average* for admissions into a Doctor of Chiropractic Program.

In addition to adhering to the CCE's guidelines, Palmer College provides priority consideration to applicants who demonstrate a strong, well-rounded academic record supported by co-curricular learning experiences. Qualified applicants will be invited to interview for placement into the program.

Palmer encourages students to pursue a well-rounded education with coursework that includes *24 science credits, half with labs*, that may include biology (human anatomy and physiology, embryology, genetics, microbiology, immunology, cellular biology, exercise physiology, and kinesiology), chemistry (general chemistry, organic chemistry, analytical chemistry, biochemistry, toxicology/pharmacology, and nuclear medicine), and physical sciences (physics, biomechanics, and statistics).

Listed below is the *recommended* course of study within the undergraduate institution's catalog that will assist a student in selecting coursework to meet the *24 credits in life and physical sciences (36 quarter hours)*. *Other course selections may be acceptable*; however, Palmer strongly encourages any student who is interested in chiropractic to contact the Admission's Department for individual guidance.

BIOLOGY

BIO 2.2	Fundamentals of Biology I w/Lab	5
BIO 2.3	Fundamentals of Biology II w/Lab	5
ANAT 40	Intro to Human Anatomy & Physiology	4

INORGANIC CHEMISTRY

CHEM 1A	General Chemistry w/Lab	5
