

SANTA ROSA JUNIOR COLLEGE Associate Degree Graduation Requirements and General Education Option A – 2024-2025

60 UNITS (COURSES #1-299)

- **MAJOR REQUIREMENTS**
- G.E. REQUIREMENTS
- RESIDENCE REQUIREMENT (12 units completed at SRJC)

ENROLLMENT DURING SEMESTER OF GRADUATION

Please note that there are different GE requirements for transfer to a 4-year college or university. See page 2 for GE options and additional associate degree information. Students should consult the latest *Schedule of Classes* and discuss their educational plan with a counselor. For information on using Advanced Placement (AP) credit to fulfill GE requirements, view the <u>AP Exam Credit Equivalency Chart</u>.

GENERAL EDUCATION REQUIREMENTS- OPTION A

A course may only be used once to fulfill requirements in Areas A through G and Area I.

Only courses listed in Area H may double count in one other area where they are listed and approved.

In Areas B through E no more than 3 units from any one discipline may be counted in fulfillment of graduation requirements. *AREAS G, H, and I- students beginning SRJC prior to the noted effective terms on each area that maintain continuous enrollment (catalog rights) do not have to complete the area requirements.

General Education Area and Area Certified Courses	Completed Courses (AP, IB, Other)	In Progress	Planned Courses
AREA A: ENGLISH COMPOSITION (4 units) Grade of C or better required to satisfy English competency ENGL 1A EMLS 10			
AREA B: Communication and Analytical Thinking (3 units)

 P) or 2. Achieve a satisfactory score on the Intermediate Algebra Competency Exam (ACE). 			
2. Admete a substation y score on the interinted ate Algebra competency Exam (Ace).	1		

2024-2025 ASSOCIATE DEGREE INFORMATION

Catalog Rights

Graduation requirements for an associate degree are determined according to the *Catalog* in effect at the time of initial enrollment. In order to maintain catalog rights, a student must be in continuous enrollment; that is, enrollment in at least one credit course during each successive academic year. For the purpose of catalog rights, the academic year begins each fall and ends with the subsequent summer session. When a break in enrollment occurs, graduation requirements are determined according to the *Catalog* in effect when enrollment is resumed. Students may choose to graduate under the *Catalog* requirements in effect at the time of the petition to graduate.

Unit Requirement

Complete 60 or more units in courses numbered 1-299. Plan your course of study carefully with a counselor.

Residence Requirement

Enrollment during the semester in which the degree is granted. A minimum of 12 units must be completed at Santa Rosa Junior College.

Scholarship Requirement

A grade point average (GPA) of 2.00 (C) or better in all Santa Rosa Junior College and transferred coursework submitted toward the degree. For students admitted Fall 2009 or thereafter, a grade of C or better (or P) is required for each course applied toward the major.

Major Requirements

Complete a major course of study of at least 18 college units from the Santa Rosa Junior College list of approved majors. A course may be used to satisfy both a General Education requirement and a major requirement (Title 5, 55806). Within the major, a course may be used only one time to meet a major requirement. Major programs and their requirements are listed in the college catalog or you can view the current list on the Major's Requirement page on the SRJC Website. <u>Click here to view now</u>.

General Education Requirements

Students have three options in meeting the General Education requirements toward earning an Associate in Arts or an Associate in Science degree at Santa Rosa Junior College:

- Option A Complete 23 units of general education requirements as outlined by the Santa Rosa Junior College catalog, or
- Option B Complete the California State University (CSU) General Education-Breadth requirements (full certification), or
- Option C Complete the Intersegmental General Education Transfer Curriculum (IGETC) (full certification).

Degree Honors

Degree honors are determined by the student's overall grade point average and include transfer work submitted to SRJC. A student who has maintained a GPA between 3.20 and 3.39 will be graduated with honors; 3.40 and 3.59, with high honors; and 3.60 or higher, with highest honors.

Multiple Majors

It is possible for a student to be awarded more than one major upon graduation, providing that all requirements are met for each major. For multiple majors, a single diploma with all majors listed will be issued. If one major leads to an Associate in Arts and the other to an Associate in Science, two diplomas will be issued.

Associate Degree for Transfer (AA-T or AS-T)

Students pursuing an Associate Degree for Transfer (AA-T or AS-T) must utilize the Option B CSU GE Pattern or the Option C IGETC Pattern. For specific details and requirements please meet with a Counselor for Education Planning. You can also click here to view the <u>Associate Degree for</u> <u>Transfer and the Associate Degree information page</u> for more details. Option A: Associate Degree Graduation Requirements and General Education Plattern is not allowed for use towards an AA-T or AS-T.

SRJC is committed to ensuring accessibility of its website content to people with disabilities. If you need assistance with this document, please see a Counselor or contact kblackwell@santarosa.edu
