2019-2020 NOTES ON CSU GENERAL EDUCATION-BREADTH REQUIREMENTS

Students having 60 transferable semester units with a "C" average (2.0) will be eligible to transfer to a California State University providing a minimum of 30 units in GE, including all of Areas A and B4, is completed with grades of C or better (or P). SRJC courses numbered 1 - 99 will transfer to the CSU for units. At some CSUs, GE completion may be a factor in admission to certain majors. Talk to your counselor about your major and target CSU campuses.

Completion of the CSU General Education Pattern (full certification) is one option (Option B) in meeting the General Education Requirements toward earning an Associate in Arts or an Associate in Science degree at Santa Rosa Junior College. Please refer to the Associate Degree Option A worksheet, page two, or the current SRJC Catalog for information on additional graduation requirements.

Full Certification: Students admitted to a CSU campus with full certification may not be held to additional lower division General Education Requirements. Full Certification means successful completion of the **39** lower-division semester units as indicated in the GE Areas above.

Subject-Area Certification: Completion of one or more areas as stated above. Student admitted to a CSU campus with subject-area certification may not be held to additional lower division GE coursework in the subject areas certified.

All students will be required to complete 9 upper division General Education units after transfer to a CSU: Neither full certification nor subject-area certification exempts students from unmet lower division graduation requirements that may exist outside of the General Education program of the campus awarding the degree.

Effective Term Notation: Effective terms noted after some courses reflect a beginning term of GE credit. For example, COUN 90 [F06] denotes that this course must have been completed in the Fall 2006 semester or later to meet the CSU GE requirement

Advance Placement Credit: For more information about using Advanced Placement (AP) credit to fulfill GE requirements, please see SRJC's Advanced Placement Exam Credit Worksheet by clicking [here](#).

GE Certification: Students must file a request for certification of CSU GE with SRJC Admissions & Records.

CSU CAMPUS NOTES: Please see a counselor to learn about specific major course requirements to various CSU Campuses and to understand how the information below may affect completion of Associate degree requirements.
